

April 2017

Greetings Friends and Colleagues,

It is with great pleasure that we're able to announce our **7<sup>th</sup> annual Golf Tournament** in support of **Fundacion SIMNSA** which enables our foundation to continue aiding vulnerable causes of our city of Tijuana. As in previous years, 100% of proceeds will be dedicated to these causes and we are so grateful for your continued support.

With previous generous sponsorships, **Fundacion SIMNSA** has provided aid to numerous orphanages throughout Baja California, families of fallen police enforcement, and countless citizens subjected to a life of poverty in the dangerous landfills of Tijuana. One of our proudest endeavors that most recently was accomplished was expanding our reach in support of orphanages. New land was purchased to take the first step in expanding that reach, and we are excited to begin the next step in building a safe and hospitable environment for the ever growing population of our country's orphans.
